

## Portable Sound System (PSS)

Vellicom Tactical's high-performance, ultra-portable sound system is powered with built-in, long-lasting rechargeable Lithium Ion batteries.

This easy-to-deploy self-contained system sets up in just a minute and provides high-quality sound for groups of any size...up to 2,500 or more! Each rolling, self-contained unit features 11 separate speakers including three subwoofers in the base.

System includes Class 1 Bluetooth connectivity along with multiple inputs and outputs, and is available in three microphone configurations:

**540-VT-2065 (PSS1) - Corded mic only**

**540-VT-2066 (PSS2) - Corded + two (2) wireless mics**

**540-VT-2067 (PSS3) - Corded + two (4) wireless mics**

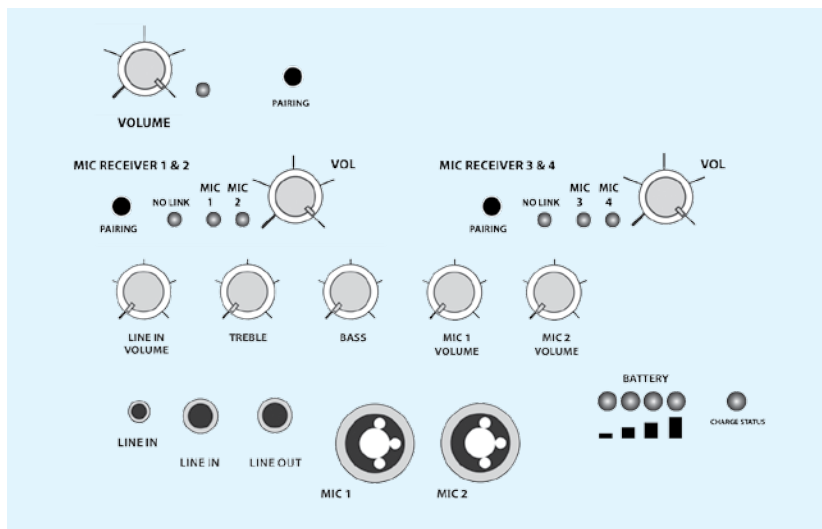

### Dimensions

**28" x 11" x 18.5" (closed)**

**71.5" x 11" x 18.5" (open)**

**Weight: 43 lbs.**

**Warranty: 6 years**
